## 2005-06 Script Search Process

Appleseed is currently accepting script submissions for our 2005-06 season. Eligible directors are encouraged to submit up to four scripts (no more than two of the same genre) to the Appleseed Script Search Panel. To determine your eligibility to direct for Appleseed, please contact Jon Wilson or visit our website.

Please note that Jon Wilson will be directing a mystery for the 2005-06 season. It is Appleseed's desire to produce a season of plays from a variety of genres (comedy, drama, musical, mystery, classic, original, interactive, one-act, etc.), so please choose your submissions accordingly.

Appleseed also challenges

itself to produce shows rarely seen in the area, and we try not to repeat ourselves. A list of shows produced by Appleseed in the past can be found on our website.

Submissions are due to Appleseed by December 1st. Submissions include a completed 2005-06 Script Submission Form and a copy of the script for each show being submitted.

Copies of the Script Proposal Form may be downloaded from our website or get one by contacting Jon Wilson at 492-9766.
